Instructional sessions in library computer labs, classrooms, or via Zoom/ITV

Through instructions tailored to each class, librarians introduce students to the library webpage, demonstrate effective search strategies for finding scholarly resources, teach bibliographic citation, provide one-on-one research assistance, and give library tours. Sessions can make a big difference in improving proficient use of resources. Call April Kent at 454-3139 or email ajkent@nmhu.edu to schedule a session.

Reserves for Courses

Physical for books, electronic for articles and book chapters – call main desk at 454-3401

Library Collections

- Streaming video online and journal article databases are available through the library webpage. Go to “Databases by Subject/Title” webpages for a list of databases.
- Please send recommendations for purchase or subscription to the library.
- Trial databases throughout the semester. On the library webpage, <http://www.nmhu.edu/library/>, go to “Find Research Resources / Find Journal Articles / Trial Databases”
- Please let us know when you have published. The library purchases faculty publications for the archives and for circulation and creates displays and exhibits.

Interlibrary Loan – To use this service, set-up an Iliad account from the library webpage. Your username and password for this service is separate from other university accounts.

Library Passport Certificate – To request a library passport which will allow you to directly borrow books and other material from participating colleges and universities around the state, please contact April Kent, 454-3139, ajkent@nmhu.edu or Kevin Corcoran, 454-3337, kacorcoran@nmhu.edu.

Center Visits and Distance Education Library Services – To schedule a center visit by a librarian or for more information about library support for distance education students and faculty, contact Kevin Corcoran, 454-3337, kacorcoran@nmhu.edu.

Research Assistance – Librarians offer individual research assistance. Please contact us.

Front Entrance Exhibit Cases and Books Display – If your class, department, or student organization would like to set up an exhibit or book display, please contact April Kent, 454-3139 or ajkent@nmhu.edu.

Theses and professional papers service the library reviews, submits to the Graduate Office & sends theses for binding. On the library webpage, go to “Library Services / For Students” for thesis instructions. Thesis contact: Josephine Sena, 454-3411 or jlsenag@nmhu.edu

Library Tutorials

The library creates tutorials to help students with research. If you would like a tutorial on a topic or for a certain class, please contact April Kent, 454-3139 or ajkent@nmhu.edu.
